

Camp Chawanakee Troop Roster Form

(Due Two Weeks Prior to your Troop Arrival in Camp)

Troop _____ Council _____

Camp Chawanakee will be highlighting the patrol method of camping. Most activities (including sleeping and eating) will require that scouts be organized into patrols of approximately eight boys each before they arrive in camp. It is also recommended that these patrols devise a name, yell, and flag. These patrols may be different from your regular patrol structure. Smaller Troops may organize into smaller patrols, but may or may not receive one patrol site per patrol in that case.
